Beginning this month, a Neighborhood Watch Round Table will be held in the Public Relations and Neighborhood Services Offices at City Hall every month. **ALL** Neighborhood Watch Chairpersons are invited to stop by. No appointments are needed. This is a time that you will be able to meet other chairpersons, talk about your ups and downs and help one another. This is also a time you can sit down and talk with me. Please mark your calendars, they are on the fourth Thursday in March and April, and then switch to the third Thursday for the rest of the year.
